

Certus LABORATORIES

DEFINING EXCELLENCE.

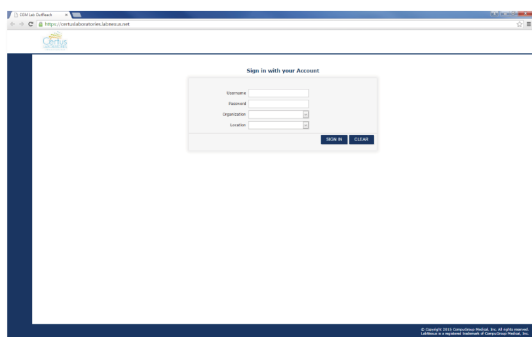

Exciting News from Certus!

You can now access your patient results directly from our Web Portal!

Please contact Certus at **228-818-0366** and we will create user names and password for those who need access to patient reports.

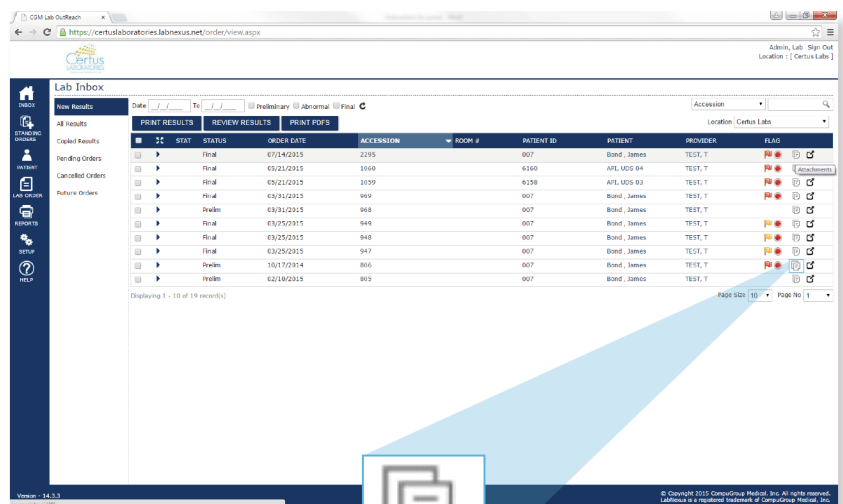

Instructions for use:

- Go to <https://certuslaboratories.labnexus.net/>
- Type in your **user name** and **password** and click **Sign In**,
- Your Organization and Location name will prepopulate,
- Then click **Sign In** again

All new lab results will be listed by patient name.

Click on the **attachment button**  to the far right to view, print, or save results directly to your EMR.

A screenshot of the Certus web portal Lab Inbox page. The page shows a table of lab results with columns for STAT, STATUS, ORDER DATE, ACCESSION, ROOM #, PATIENT ID, PATIENT, PROVIDER, and FLAG. The table is filtered by 'Final' status and 'Abnormal' results. The patient name 'Bond, James' is visible in the first row. The page also includes a sidebar with navigation options and a footer with copyright information.
